

# VIRTUAL LEARNING ORIENTATION

A new virtual overview brought to you by HR Academy

## HR ACADEMY VIRTUAL LEARNING PREREQUISITE

To participate successfully in our virtual courses, you need to be familiar with the technology they use. Therefore, the **Virtual Learning Orientation** is **REQUIRED** for all first-time virtual course participants.

You must complete this overview prior to registering for your first course. If you try to register for a course without taking the overview, a message will prompt you to register for the Virtual Learning Orientation.

### OVERVIEW

Are you registering for an HR Academy virtual course for the first time? Are you new to Blackboard Collaborate™, and don't know how to use it or if it will work on your computer?

Blackboard Collaborate™ is HR Academy's virtual learning platform. The **Virtual Learning Orientation** will introduce you to this virtual learning tool. The overview will also teach you the technical specifications required to run the program on your computer.

### WHAT YOU'LL LEARN

In this overview you will learn:

- How to use Blackboard Collaborate's™ most common features
- How to check your system to ensure it can run Blackboard Collaborate™
- What resources are available to help you learn more about Blackboard Collaborate™

For more information about this overview, visit the HR Academy [Virtual Learning Orientation](#) webpage.

For information about upcoming course dates and other HR Academy training opportunities, visit the [HR Academy Course Calendar](#).
