A virtual course offering brought to you by HR Academy

REGISTRATION IS NOW OPEN

OVERVIEW
Are you a new VA HR professional and need to learn VA’s performance management system? The Performance Management course will teach you to use a systematic performance management process, to determine employee performance elements and write measurable standards.

You’ll also learn to monitor an employee’s performance and provide effective feedback, conduct progress reviews, accurately document performance, and reward effective performance.

WHAT YOU’LL LEARN
In this course, you’ll learn how to:
• Advise employees on performance management issues
• Develop performance elements and determine appropriate measures
• Write standards that include specific performance measures
• Identify methods for monitoring performance
• Use appropriate and effective feedback
• Identify and implement a process for preparing and conducting progress reviews and appraisals
• Identify the characteristics of good documentation
• List some common awards that may be associated with performance ratings

Ideal participants will have the following job/proficiency levels:

- Employee Benefits Specialist: Learner, Role Model/Coach, Expert
- Employee Development Specialist: Novice, Learner, Solid Practitioner, Role Model/Coach, Expert
- Employee Relations Specialist: Novice, Solid Practitioner, Role Model/Coach, Expert
